

RCAP Solutions Online Workshop: Basic Math for Operators

Workshop Description

Math is an integral part of drinking water and wastewater operations and is often one of the hardest topics to master.

This course will review basic math concepts, tactics for solving problems, and provide practice applying the concepts to solve examples.

Course Number: #8584 Approved for 4 TCHs!

Mon, August 24th, 2020 & Tues, August 25th, 2020

1:30 PM - 3:30 PM (both days)

REGISTER:

<https://bit.ly/Aug-MATH-PA>

Please Join the Training via Computer with Microphone Only!
