To all interested parties: This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana’s water quality standards as set forth at 327 IAC 2.

1. **Applicant:** Amy Fagan
   Marathon Petroleum
   539 S Main St.
   Findlay, OH 45840

2. **Agent:** Chad Martin
   Cardno
   76 San Marco St.
   Austin, TX 78702

3. **Project location:** Northeast of E 246th St. and Ray Parker Rd. in Hamilton County
   Latitude: 40.153700, Longitude: -85.908900

4. **Affected waterbody:** Duck Creek

5. **Project Description:** The applicant proposes the placement of riprap fill within 0.039 acre and 58 linear feet of Duck Creek to cover an exposed pipe. The riprap placement will impact less than five percent of the cross-sectional area of the stream, and will be placed in a manner to be flush with the upstream and downstream extents of the work area. Construction access will be within the existing right of way, and timber mats will be used to access the work area. Disturbed area will be returned to pre-construction grades and reseeded with a native seed mix. The applicant does not propose any tree removal or brush clearing for construction access.

**Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

**Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

**Questions?** Additional information may be obtained from Mrs. Amari Farren, Project Manager, at 317-234-6351 or by email to afarren@idem.in.gov. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM’s final decision.
