To all interested parties: This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana’s water quality standards as set forth at 327 IAC 2.

1. Applicant: Ms. Kristi Todd  
   Indiana Department of Transportation  
   100 North Senate Avenue, IGCN 642-ES  
   Indianapolis, IN 46204

2. Agent: Ms. Julie Evans  
   RQAW  
   8770 North Street  
   Fishers, IN 46038

3. Project location: Sections 6, 19, 24, 25, 29, 30, Township 7 North, Range 7 & 8 West, Second Principal Meridian, in Greene and Sullivan Counties, Linton USGS Quadrangle  
   Along Goodman Road from Greene County Road 1475 West to Sullivan County Road 900 East  
   And along Sullivan County Road 900 East from Goodman Road to Sullivan County Road 25 North  
   And along Greene County Road 350 North between Greene County Road 1500 West and Greene County Road 01550 West

4. Affected waterbody: Unnamed Tributaries to Black Creek and Wetlands

5. Project Description: As part of Project Designation 1601178, INDOT proposes to place clean earthen fill into 0.07 acre of wetland and impact 557.1 linear feet of stream from the installation of riprap, structures, and stream relocation. To compensate for these impacts, INDOT proposes to purchase 0.18 acre of wetland credit and 186.5 linear feet of stream credit from the Indiana Stream and Wetland Mitigation Program’s in-lieu fee program. For additional information please visit the following webpage address: http://www.in.gov/idem/5474.htm

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. James Turner, Project Manager, at 317-234-6352. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM’s final decision. Written comments and inquiries may be forwarded to -
