To all interested parties: This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana’s water quality standards as set forth at 327 IAC 2.

1. Applicant: Ms. Sandra Bowman
   Indiana Department of Transportation
   100 North Senate Avenue, IGCN 642-ES
   Indianapolis, IN 46204

2. Agent: Mr. Thomas Warner
   Parsons
   101 West Ohio Street, Suite 2121
   Indianapolis, IN 46204

3. Project location: Sections 4, 5, 32, & 33, Townships 34 & 35 North, Range 9 West, Second Principal Meridian, in Lake County, Saint John USGS Quadrangle
   On U.S. Highway 41 from U.S. Highway 231 to 97th Lane in Saint John, Lake County.

4. Affected waterbody: St. John Ditch, Unnamed Tributary to St. John Ditch, and Unnamed Tributary to West Creek

5. Project Description: As part of Project Designation 1383695, INDOT proposes to replace 368 linear feet of encapsulation with 401 linear feet of encapsulation, install 64 linear feet of riprap, and place fill in 0.362 acre of wetland. To compensate for these impacts, the applicant proposes to purchase 97 feet of stream credits and 0.886 acre of wetland credits from the Indiana Stream and Wetland Mitigation Program. For additional information please visit the following webpage address: http://www.in.gov/idem/5474.htm

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. James Turner, Project Manager, at 317-234-6352. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM’s final decision. Written comments and inquiries may be forwarded to -
