PUBLIC NOTICE OF HAZARDOUS WASTE CORRECTIVE ACTION COMPLETE

DATE OF NOTICE: January 8, 2020
COMMENTS DUE: February 7, 2020

The Indiana Department of Environmental Management (IDEM) intends to issue a Hazardous Waste Corrective Action Complete without Controls determination to:

Five Star Commercial Roofing
1108, 1119 and 1144 South SR 3, Hartford City, IN
US EPA ID# INR000137471

IDEM has reviewed the administrative record, and has drafted a Statement of Basis proposing to end the Hazardous Waste corrective action process. The Statement of Basis supports IDEM's decision to issue a Hazardous Waste Corrective Action Complete without Controls determination for this facility. IDEM has determined that “No Further Action” is required at any of the Solid Waste Management Units (SWMUs) or Areas of Concern (AOCs). A copy of the Statement of Basis (VFC document # 82881027) and the supporting administrative record are available for your review in the IDEM Virtual File Cabinet at: www.in.gov/idem.

IDEM is providing the public an opportunity to submit written comments and/or request changes to the Statement of Basis as proposed. IDEM is particularly interested in receiving comments from persons aware of any spills or releases that may have occurred from this facility in the past.

You may request IDEM hold a public hearing or a public meeting. At a public hearing, you would have the opportunity to submit oral or written comments. At a public meeting, you would have an opportunity to submit written comments, ask questions, make statements, and otherwise discuss any concerns about the Statement of Basis, the Corrective Action Completion Determination, or the administrative record with IDEM staff. IDEM will formally respond to any comments received during the public hearing or public meeting in its Response to Comments at the time of its decision. If a public hearing or meeting is held, IDEM will make a separate announcement of the date, time, and location of that hearing/meeting 30 days in advance.

Written comments with supporting documentation, or a request for a public hearing, should be sent to Mr. Jeff Workman at jworkman@idem.in.gov or the following address:
Indiana Department of Environmental Management
Hazardous Waste Permit Section
IGCN 1101
100 North Senate Avenue
Indianapolis, IN 46204

IDEM will respond to all significant comments and specify which provisions of the Statement of Basis were changed, if any. To receive a copy of the Notice of Final Decision and Response to Comments, please make a written request to the address above. Anyone who submits written comments will receive a copy of the Notice of Final Decision and Response to Comments.

If you have any questions about the Statement of Basis, administrative record, or the public notice process, please contact Mr. Jeff Workman at the OLQ address above or at (317) 232-3221, or jworkman@idem.IN.gov.
