This Office received a letter on July 31, 2020, submitted by Matt Yancy of Hinderliter Environmental Services on your behalf, requesting termination of permit coverage for White's Quality Service Station. The letter states that this request is being made pursuant to IDEM's Office of Land Quality's recommendation that the ground water remediation system should be shut down. Mr. Yancy states that the remediation system has not operated since October 2019, that IDEM will not request that the system be restarted, and that you are awaiting a "No Further Action" letter from IDEM.

Following our recent discussions with the staff of the IDEM Office of Land Quality (OLQ) and our review of correspondence between Doug Bartz, OLQ's project manager, and Mr. Yancy, we concur that it is appropriate to terminate the NPDES general permit coverage for this project. Therefore, National Pollutant Discharge Elimination System Permit # ING080339 is hereby **terminated, effective September 30, 2020.**

Please note that IDEM shall serve notice of its decision to terminate your facility's coverage under the general permit in accordance with the requirements of 327 IAC 5-3-14. It should also be noted that any appeal must be filed under procedures outlined in IC 13-15-6, IC 4-21.5, and the enclosed Public Notice. The appeal must be initiated by filing a petition for administrative review with the Office of Environmental Adjudication (OEA) within fifteen (15) days of the emailing of an electronic copy of this letter or within eighteen (18) days of the mailing of this letter. A copy must also be served upon IDEM.

Discharge Monitoring Reports and Monthly Monitoring Reports should be submitted for all months up to the date of termination of this permit coverage. Also, all future discharge to waters of the state must be preceded by the submission of an NPDES application at least 180 days prior to the commencement of such discharge unless a later date is allowed either by rule or by an NPDES general permit.

Questions regarding this matter may be directed to Ms. C. Anne Burget of my staff at (317) 234-8745 or via email at [cburget@idem.IN.gov](mailto:cburget@idem.IN.gov).
