Corps of Engineers ID Number:
LRL-2020-00329-GJD

PUBLIC NOTICE

To all interested parties: This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 1. Applicant:** Danny Miles
Velpen C-D Landfill
3980 South State Road 257
Velpen, IN 47590
- 2. Agent:** Brad Hartz
T and M Associates
201 North Illinois Street, 16th Flood South Tower
Indianapolis, IN 46204
- 3. Project location:** The project is located at the Velpen C-D Landfill at 3980 South State Road 257 in Velpen, Pike County. Latitude 38.36513, Longitude -87.09919
The preservation site is located to the east of SR 257 approximately 2.5 miles north of Otwell, Pike County. Latitude 38.48639, Longitude -87.10722
- 4. Affected waterbody:** One (1) unnamed intermittent stream and one (1) forested wetland
- 5. Project Description:** The applicant proposes to expand their landfill operations. As part of the project the applicant proposes to impact 0.2 acre of forested wetland and 175 linear feet of intermittent stream to facilitate the expansion. To compensate for these impacts, the applicant proposes to preserve approximately 11 acres of forested and emergent wetland, 3,159 linear feet of intermittent and ephemeral streams, and 1.45 acre of forested riparian corridor with a deed restriction. For additional information please visit the following webpage address:
<http://www.in.gov/idem/6393.htm>.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. Tom Sowinski, Project Manager, at 317-234-5647 or by email at TSowinsk@IDEM.in.gov. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
