PUBLIC NOTICE

To all interested parties: This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana’s water quality standards as set forth at 327 IAC 2.

1. Applicant: Ms. Amy Fagan
   Marathon Pipe Line LLC
   539 South Main Street
   Findlay, OH 45840

2. Agent: Marathon Pipe Line LLC

3. Project location: Hamilton County
   Latitude 39.9365, Longitude -86.167
   West of Springmill Road, between Interstate 465 and 106th Street.

4. Affected waterbody: Williams Creek

5. Project Description: Impacts to 50 linear feet of stream from the installation of riprap to protect a pipeline. This notice and its accompanying exhibits will be available at the following webpage address during the public notice period:
   http://www.in.gov/idem/5474.htm

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information about the Indiana Department of Environmental Management waterway permitting associated with this project may be obtained from Mr. James Turner, Indiana Department of Environmental Management Project Manager, at 317-234-6352. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM’s final decision. Written comments and inquiries may be forwarded to:
