Transfer of Ownership

Pursuant to 327 IAC 5-2-6(c), the parties have notified the Indiana Department of Environmental Management (IDEM) of their intention to transfer IWP Permit INP000077 from Keihin IPT MFG, LLC, the "current permittee" and previous owner of the facility, to Hitachi Astemo Greenfield, LLC, the "transferee" and future owner of the facility, effective as of April 1, 2021.

The current permittee acknowledges liability for violations up to the proposed date of permit transfer, and the transferee acknowledges liability for violations on and after the proposed date of permit transfer.

The transferee certifies that it is its intention to operate the facility for which IWP Permit INP000077 is issued without making such material and substantial alterations to the facility as would significantly change the nature or quantities of pollutants discharged, and thus constitute cause for permit modification under 327 IAC 5-2-16(d).
