

Indiana Department of Environmental Management Office of Water Quality Wetlands Section

Publication Date:

April 14, 2022

Closing Date:

May 5, 2022

IDEM ID Number:

2022-315-32-ERL-A

Corps of Engineers ID Number:

PUBLIC NOTICE

To all interested parties: This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 1. Applicant:** Amy Fagan
Marathon Pipe Line LLC
539 South Main Street
Findlay, OH 45840
- 2. Agent:**
- 3. Project location:** Latitude: 39.89256, Longitude: -86.38699
Section 26, Township 17 North, Range 1 East, Fayette USGS Quad
Northwest of the intersection of North CR 800 E and Maloney Road in Hendricks County
- 4. Affected waterbody:** White Lick Creek and emergent wetlands
- 5. Project Description:** The applicant proposes to permanently impact 45 linear feet (lft) of stream and temporarily impact 0.066 acre of wetland for the purpose of installing a Newbury Riffle and rip rap within and along the banks of White Lick Creek for the purpose of protecting an existing pipeline against further damage and erosion. Timber matting will be utilized in an emergent wetland for access to the exposed pipeline. The wetland will be restored to pre-impact grades and all construction areas will be re-seeded upon completion of the project.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Erin Lish, Project Manager, by phone at 317-232-0516 or by e-mail at ELish@idem.in.gov. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
