### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding the Renewal of a  
Federally Enforceable State Operating Permit (FESOP)

for CB Custom Painting, LLC in Elkhart County

FESOP Renewal No.: F039-48911-00778

The Indiana Department of Environmental Management (IDEM) has received an application from CB Custom Painting, LLC located at 56769 and 56700 Elk Court, Elkhart, Indiana 46516, for a new source review and renewal of its FESOP issued on February 4, 2021. If approved by IDEM's Office of Air Quality (OAQ), this proposed permit would allow CB Custom Painting, LLC to make certain changes at its existing source. CB Custom Painting, LLC has applied to change the operation of paint booths PB1, PB2, and PB3, by an increase in material use and change of product used in the paint booths. Additionally, the source has requested to include a hand sanding process.

The applicant has operated new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). The potential to emit regulated air pollutants will continue to be limited to less than the Title V major threshold levels. IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

IDEM is aware that the paint booths, PB1, PB2, and PB3, have been added coatings and operated prior to receipt of the proper permit. IDEM is reviewing this matter and will take appropriate action. This draft permit contains provisions to bring unpermitted equipment into compliance with operation permit rules.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Elkhart Public Library – Main Library  
300 S 2nd St  
Elkhart, IN 46516

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria. If the permit is issued, it may be different than the draft permit because of comments that were received during the public comment period. If comments are received during the public notice period, the final decision will include a document that summarizes the comments and IDEM's response to those comments. If you have submitted comments or have asked to be added to the mailing list, you will receive a Notice of the Decision. The notice will provide details on how you may appeal IDEM's decision, if you disagree with that decision. The final decision will also be available on the Internet at the addresses indicated above and will also be sent to the local library indicated above.
