NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a
Significant Modification to a
Part 70 Operating Permit

for Waelz Sustainable Products, LLC in Cass County

Significant Permit Modification No.: 017-49694-00056

The Indiana Department of Environmental Management (IDEM) has received an application from Waelz Sustainable Products, LLC, located at 3440 W CR 300 S, Logansport, Indiana 46947, for a significant permit modification of its Part 70 Operating Permit issued on June 18, 2021. If approved by IDEM's Office of Air Quality (OAQ), this proposed modification would allow Waelz Sustainable Products, LLC to make certain changes at its existing source. Waelz Sustainable Products, LLC has applied for the following:

- (1) Increase the capacity of two conveyors RB-BC1 and RB-BC2 from thirty (30) tons per hour to eighty (80) tons per hour.
- (2) Update the description of RB-BC1 in order to better reflect the conveyor's operational functions.
- (3) Construct and operate an Eirich mixer line and associated new material handling units in the pelletizer building (PB).
- (4) Move the carbon silo (PRB-SS8) from the pellets receiving building (PRB) to the Elrich mixer line within the pelletizer building (PB).

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Logansport-Cass County Public Library - Main Library
616 E Broadway
Logansport, IN 46947

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. IDEM could also decide to hold a public meeting instead of, or in addition to, a public hearing. If IDEM decides to conduct a public hearing and/or public meeting, IDEM will post a separate announcement of the date, time, and location of that public hearing and/or public meeting on IDEM's website (<https://www.in.gov/ideM/public-notices/>). If the permit is issued, it may be different than the draft permit because of comments that were received during the public comment period.
