Closing Date:
December 29, 2025

PUBLIC NOTICE

Corps of Engineers ID Number:
LRC-2025-525

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

1. Applicant: Doug Brite
101 North East Street
Crown Point, IN, 46307

2. Agent: Keegan Brown
9025 River Road, Suite 200
Indianapolis, IN, 46240

3. Project location: US 231 And 113th Avenue Intersection, Crown Point, IN, 46307
Latitude: 41.412862, Longitude: -87.347221

4. Affected waterbody: Unnamed Tributary (UNT) to Main Beaver Dam Ditch

5. Project Description: The existing drainage system along US 231 and 113th Avenue that conveys UNT to Main Beaver Dam Ditch will be replaced. The project will require the relocation of UNT to Main Beaver Dam Ditch to the south of the project area. The stream channel will be backfilled and two existing pipes in the impacted section will be removed. In addition to stream relocation, Class II Riprap will be installed on existing riprap north of 113th Avenue.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information inquiries and correspondence can be obtained from WaterwaysComments@idem.IN.gov. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
