### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a  
Significant Modification to a  
Part 70 Operating Permit

for Sonoco Protective Solutions, Inc. in Jay County

Significant Source Modification No.: 075-48438-00024  
Significant Permit Modification No.: 075-49687-00024

The Indiana Department of Environmental Management (IDEM) has received an application from Sonoco Protective Solutions, Inc, located at 1619 North Meridian Street, Portland, IN 47371, for a significant modification of its Part 70 Operating Permit issued on March 21, 2024. If approved by IDEM's Office of Air Quality (OAQ), this proposed modification would allow Sonoco Protective Solutions, Inc to make certain changes at its existing source. Sonoco Protective Solutions, Inc has applied to add one (1) new vacuum insulated panel line.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Jay County Public Library  
315 North Ship Street  
Portland, IN 47371

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria. To find documents related to this air permit, click on "Advanced Search", specify "OAQ" in the Program search field, specify the five-digit permit number "49687" or the five-digit source modification number "48438" in the Permit # search field, then click the Search button at the top or bottom of the webpage.

If the permit is issued, it may be different than the draft permit because of comments that were received during the public comment period. If comments are received during the public notice period, the final decision will include a document that summarizes the comments and IDEM's response to those comments. If you have submitted comments or have asked to be added to the mailing list, you will receive a Notice of the Decision. The notice will provide details on how you may appeal IDEM's decision, if you disagree with that decision. The final decision will also be available on the Internet at the addresses indicated above and will also be sent to the local library indicated above.
