# JOINT PUBLIC NOTICE

**To all interested parties:**

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** and a **State Isolated Wetland Individual Permit** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and permits required under IC 13-18-22 and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2 and all applicable provisions of IC 13-18-22.

| <b>4. Affected waterbodies:</b> | Honey Creek and two(2) Class II wetlands  |                  |   |
| <b>5. Project Description:</b>  | The existing I-70 bridges over Honey Creek will be demolished, the area under the bridges will be filled, and a new 288 foot long 3-sided culvert will be placed to carry Honey Creek under I-70. Additionally, 0.38 acre of two State Regulated wetlands will be impacted by the placement of clean earthen fill for grading. Mitigation will be provided through the purchase of 359 feet of stream credits, and 0.57 acre of wetland credits from the Middle Wabash Service Area of the Indiana Stream and Wetland Mitigation Program (IN SWMP). **Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the state isolated wetland permit review and the water quality certification review process.

**Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

**Questions?** Additional information may be obtained from Graham Wrin, Project Manager, by e-mail at [GCWrin@idem.IN.gov](mailto:GCWrin@idem.IN.gov). Please address all correspondence to the project manager and reference the IDEM permit number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
