## Office of Water Quality

### Waterways Section

**Publication Date:**  
February 2, 2026

**IDEM Permit Number:**  
WQC001434

## PUBLIC NOTICE

**Closing Date:**  
February 23, 2026

**Corps of Engineers ID Number:**  
LRL-2024-767

### To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

| <b>3. Project location:</b>     | Along US Route 24 and State Road 19 near Peru.  |                  |  |
| <b>4. Affected waterbodies:</b> | Little Pipe Creek, Shrock Creek, and one(1) emergent wetland  |                  |  |
| <b>5. Project Description:</b>  | The structure carrying Shrock Creek under US 24 will be lined with a 354 foot long Cured-in-Place-Pipe(CIPP) liner and 62.36 feet of riprap will be placed at the inlet and outlet of the structure. The structure carrying Little Pipe Creek under State Road 19 will be lined with a 109 foot long steel liner and 51 feet of riprap will be placed at the inlet and outlet of the structure. Additionally 12.88 cubic yards of riprap will be placed within 0.0046 acre of one emergent wetland. Mitigation will be provided through the purchase of 113 feet of stream credits from the Upper Wabash Service Area of the Indiana Stream and Wetland Mitigation Program(IN SWMP). For additional information visit the Regulatory ePortal at:<br><a href="https://stormwater.idem.in.gov/nsite/default/map/help">https://stormwater.idem.in.gov/nsite/default/map/help</a> |                  |  |

**Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

**Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

**Questions?** Additional information may be obtained by contacting [WaterwaysComments@idem.IN.gov](mailto:WaterwaysComments@idem.IN.gov). In the subject line of the email, please include the IDEM ID Number listed in the top right corner of the first page of this public notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
