### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a  
Significant Revision to a  
Federally Enforceable State Operating Permit (FESOP)  
for Dualtech Incorporated in Johnson County  
Significant Permit Revision No.: 081-49802-00066

The Indiana Department of Environmental Management (IDEM) has received an application from Dualtech Incorporated, located at 351, 400, 401, & 450 Blue Chip Court and 2075 Earlywood Drive, Franklin, Indiana 46131, for a significant revision of its FESOP issued on May 19, 2023. If approved by IDEM's Office of Air Quality (OAQ), this proposed revision would allow Dualtech Incorporated to make certain changes at its existing source. Dualtech Incorporated has applied to requesting to the following:

- (a) Change the existing FESOP and PSD Minor limit for the natural gas fired thermal sand reclamation system (TSR3 and TSR4) for this source, based on the stack testing results.

A stack test was conducted on September 4th, 2025 in response to the letter received by IDEM dated May 12th, 2025.

This draft permit does not contain any new equipment that would emit air pollutants; however, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). This notice fulfills the public notice procedures to which those conditions are subject. IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow for these changes.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Johnson County Public Library (Franklin Branch)  
401 State St  
Franklin, IN 46131

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria.
