### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a  
Significant Modification to a  
Part 70 Operating Permit

for Master Spas, LLC in Allen County

Significant Permit Modification No.: 003-49692-00249

The Indiana Department of Environmental Management (IDEM) has received an application from Master Spas, LLC, located at 7102, 7101, 6935, 6927, and 6601 Lincoln Parkway and 510 Sumpter Drive, Fort Wayne, Indiana 46804, for a significant modification of its Part 70 Operating Permit issued on October 5, 2023. If approved by IDEM's Office of Air Quality (OAQ), this proposed modification would allow Master Spas, LLC to make certain changes at its existing source. Master Spas, LLC, has applied related to the following:

- Change the identification name of the CNC router, from FC1 to CNC1;
- Addition of a flow coater, identified as FC-17, in Building 6;
- changes in the venting information of one of the fiberglass operations, identified as FC-15, and located in building 4, since FC-15 will now vent to a new stack (S-42).

The applicant intends to operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Allen County Public Library (Aboite Branch Library)  
5630 Coventry Ln  
Fort Wayne, IN 46804

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria. To find documents related to this air permit, click on "Advanced Search", specify "OAQ" in the Program search field, specify the five-digit permit number "49692" in the Permit # search field, then click the Search button at the top or bottom of the webpage.

If IDEM decides to conduct a public hearing and/or public meeting, IDEM will post a separate announcement of the date, time, and location of that public hearing and/or public meeting on IDEM's website (<https://www.in.gov/idem/public-notices/>).
