### **NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT**

Preliminary Findings Regarding a  
Significant Modification to a  
Part 70 Operating Permit

for Hardwood Interior Design, LLC in Marshall County

Significant Permit Modification No.: 099-50156-00115

The Indiana Department of Environmental Management (IDEM) has received an application from Hardwood Interior Designs, LLC, located at 1342 W. Plymouth St., and 1730 W. Bike St., Bremen, IN 46506, for a significant modification of its Part 70 Operating Permit issued on September 13, 2022. If approved by IDEM's Office of Air Quality (OAQ), this proposed modification would allow Hardwood Interior Designs, LLC to make certain changes at its existing source. Hardwood Interior Designs, LLC has applied to construct and operate a new surface coating booth RB3.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

IDEM is aware that the unit has been constructed and operated prior to receipt of the proper permit. IDEM is reviewing this matter and will take appropriate action. This draft permit contains provisions to bring unpermitted equipment into compliance with construction and operation permit rules.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Bremen Public Library  
304 N. Jackson St.  
Bremen, IN 46506

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria. To find documents related to this air permit, click on "Advanced Search", specify "OAQ" in the Program search field, specify the five-digit permit number "50156" in the Permit # search field, then click the Search button at the top or bottom of the webpage.
