PUBLIC NOTICE

Closing Date:
May 24, 2026

Corps of Engineers ID Number:
Not applicable

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for a State Isolated Wetland Individual Permit by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for permits required under IC 13-18-22 and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2 and all applicable provisions of IC 13-18-22.

3. Project location: Gas City, IN, 46933
Latitude: 40.4750
Longitude: -85.5709

4. Affected waterbody: The only impacts to aquatic resources for this site will occur to Wetland 9. A 100.0-ft electrical easement needs to be run parallel to the existing Norfolk Southern Railroad. The transmission line easement is needed to convey solar-powered electricity from the proposed solar farm. This easement will clear trees within 0.18 acres of the PFO portion of Wetland 9. No fill will be placed within Wetland 9.

5. Project Description: The development is a proposed 107-MW Solar Farm located in Gas City, Grant County, Indiana. The Solar Farm will consist of rows of Photovoltaic Solar Modules, gravel access driveways, and associated electrical equipment. Solar modules will be mounted on piles and elevated above the ground as to preserve the existing underlying soil and allow for revegetation and infiltration.

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained by contacting WaterwaysComments@idem.IN.gov. In the subject line of the email, please include the IDEM ID Number listed in the top right corner of the first page of this public notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to –
