### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a  
Significant Modification to a  
Part 70 Operating Permit

for Knauf Insulation Incorporated in Shelby County

Significant Source Modification No.: 145-49610-00001  
Significant Permit Modification No.: 145-49647-00001

The Indiana Department of Environmental Management (IDEM) has received an application from Knauf Insulation Incorporated, located at 1 Knauf Dr, Shelbyville, Indiana 46176, for a significant modification of its Part 70 Operating Permit issued on April 26, 2021. If approved by IDEM's Office of Air Quality (OAQ), this proposed modification would allow Knauf Insulation Incorporated to make certain changes at its existing source. Knauf Insulation Incorporated has applied to construct one (1) unbonded wool fiberglass production line, identified as WBW2, to construct one (1) separator and packaging process, identified as WBW2 separator and packaging, and to replace one (1) rotary spin wool fiberglass pipe insulation line, identified as Line 3007a, and to remove one (1) rotary spin wool fiberglass forming section, identified as 612 FORMING.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Shelby County Public Library  
57 W Broadway St  
Shelbyville, IN 46176

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria.
