### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a PSD/Significant Modification to a  
Part 70 Operating Permit

for Bunge North America (East), LLC in Shelby County

PSD/Significant Source Modification No.: 145-49230-00035  
Significant Permit Modification No.: 145-49466-00035

The Indiana Department of Environmental Management (IDEM) has received an application from Bunge North America (East), LLC, located at 700 N Rangeline Rd, Morristown, Indiana 46161, for a PSD/significant modification of its Part 70 Operating Permit issued on September 27, 2021. If approved by IDEM's Office of Air Quality (OAQ), this proposed modification would allow Bunge North America (East), LLC to make certain changes at its existing source. Bunge North America (East), LLC has applied to make design changes of the new C-plant approved under SSM 145-45824-00035 and SPM 145-45898-00035. This includes the following:

- Add eighteen (18) new units to the C-plant,
- Change the design capacity of the previously approved natural gas-fired boilers in the C-plant,
- Remove six units,
- Perform a new integral determination for the C-plant units, PS7, PS14, PS15, PS17-PS21 and PS23 through PS27, and new units PS44 through PS50.
- Updating the exhaust flow rate of the control devices of C-plant units, and
- Updating the stack heights of C-plant units.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Shelby County Public Library  
57 W Broadway St  
Shelbyville, IN 46176

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria.
