Office of Water Quality

Waterways Section

Publication Date:

July 07, 2026

IDEM Permit Number:

WQC001494

PUBLIC NOTICE

Closing Date:

July 28, 2026

Corps of Engineers ID Number:

N/A

To all interested parties:

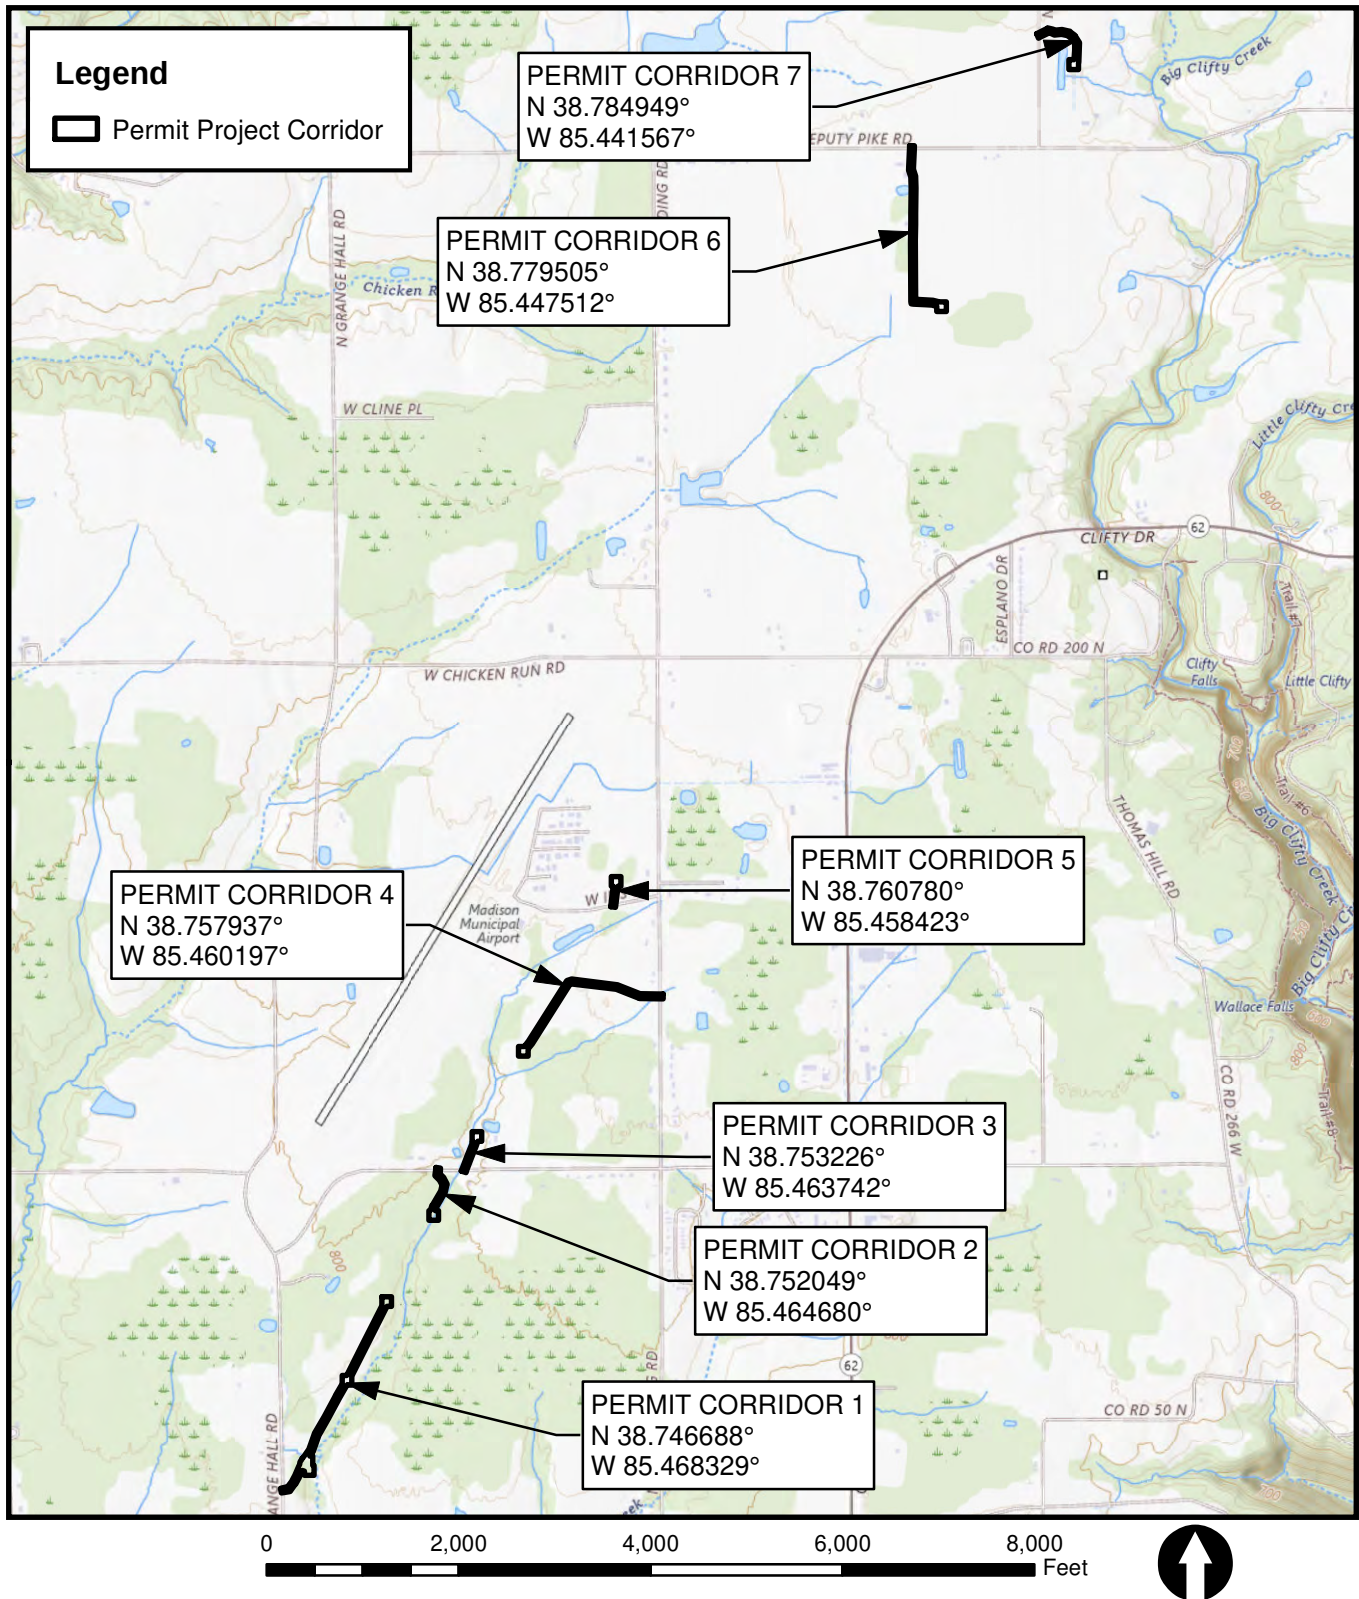

This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

|---------------------------------|---|------------------|--|
| 1. Applicant: | Mike Scott
Kentucky Utilities Company
1 Quality Street
Lexington, KY, 40507 | 2. Agent: | Britt Yant
RES
2307 Greene Way
Louisville, KY, 40220-4009 |
| 3. Project Location: | Along multiple transmission line corridors near Madison. The southern terminus is located approximately 0.4-mile north of the N Grange Hall Road (N 450 W) and Kent Indiana 256 intersection and the northern is located approximately 0.2-mile south of the W Dawson Smith Road and N Paper Mill Road intersection. | | |
| 4. Affected Waterbodies: | Twelve(12) emergent wetlands, one(1) scrub-shrub wetland, and one(1) ephemeral stream. | | |
| 5. Project Description: | Approximately 4.5 miles of transmission line and corresponding hardware will be removed requiring 0.957 acre of temporary wetland impacts and 18 feet of temporary stream impacts. All impacts will result from construction access and will be restored upon project completion. For additional information visit the Regulatory ePortal at: https://waterquality.idem.in.gov . | | |

|------------------------|---|
| Comment Period: | Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process. |
| Public Hearing: | Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted. |
| Questions? | Submit requests for additional information and written comments to WaterwaysComments@idem.IN.gov In the subject line of the email, please include the IDEM ID Number listed in the top right corner of the first page of this public notice. Indicate if you wish to receive a copy of IDEM's final decision. Comments and inquiries may also be forwarded to - |
