

INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
PUBLIC NOTICE OF HAZARDOUS WASTE CORRECTIVE ACTION COMPLETE

DATE OF NOTICE: July 10, 2026
COMMENTS DUE: August 8, 2026

The Indiana Department of Environmental Management (IDEM) intends to issue a Hazardous Waste Corrective Action Complete without Controls determination to:

Tri Pac Inc.,
3507 Olive Rd., South Bend, IN,
US EPA ID INR000154062
and
Tri Pac Inc., 3333 N. Kenmore St., South Bend, IN
US EPA ID INR000145102

IDEM has reviewed the administrative record and has drafted Statements of Basis proposing to end the Hazardous Waste Corrective Action process. The Statements of Basis support IDEM's decision to issue a Hazardous Waste Corrective Action Complete without Controls determination to both locations. IDEM has determined that "No Further Action" is required at either facility. A copy of the Statements of Basis for the Olive Road facility and the Kenmore Street facility (VFC content # 83988538 and VFC content # 83988539, respectively) and the supporting administrative records are available for your review in the IDEM Virtual File Cabinet at: www.in.gov/idem/legal/public-records/virtual-file-cabinet/.

IDEM is providing the public with an opportunity to submit written comments and/or request changes to the Statements of Basis as proposed. IDEM is particularly interested in receiving comments from persons aware of any past spills or releases that may have occurred at this facility.

You may request IDEM hold a public hearing. At a public hearing, you would have the opportunity to submit oral and written comments. IDEM will formally respond to any comments received during the public hearing in its Response to Comments at the time of its decision. If a public hearing is held, IDEM will make a separate announcement of the date, time, and location of that hearing 30 days in advance.

Written comments with supporting documentation, or a request for a public hearing, should be sent to Mr. Don Stilz at dstilz@idem.in.gov or the following address:

Indiana Department of Environmental Management
Hazardous Waste Permit Section
IGCN 1101
100 North Senate Avenue

IDEM will respond to all significant comments and specify which provisions of the Statements of Basis have changed, if any. To receive a copy of the Notice of Final Decision and Response to Comments, please make a written request to the address above. Anyone who submits written comments will receive a copy of the Notice of Final Decision and Response to Comments.
