### NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a  
Minor Source Operating Permit (MSOP)

for Conn-Selmer, Incorporated in Elkhart County

MSOP No.: M039-50445-00010

The Indiana Department of Environmental Management (IDEM) has received an application from Conn-Selmer, Incorporated, located at 500 Industrial Parkway and 2415 Industrial Parkway, Elkhart, Indiana 46516 for a MSOP with new source review. If approved by IDEM's Office of Air Quality (OAQ), this proposed permit would allow Conn-Selmer, Incorporated to make certain changes at its existing source and to continue to operate its existing source. Conn-Selmer, Incorporated has applied to add automated buffing and polishing units, a new thermal cutting department, and updates to the manual buffing/polishing and bell spin departments at the North Plant. To ensure technical precision, the facility's emission calculation methodology was updated utilizing instrument cycle times, process throughput, and EPA FIRE SCC 3-04-003-40 factors. With the updates to the calculation the source will transition to MSOP.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Elkhart Public Library Pierre Moran Branch  
2400 Benham Ave  
Elkhart IN 46517

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria.
