3. Project Location: CR 100 S, Mount Vernon, IN, 47620
Latitude: 38.024683
Longitude: -87.820509

4. Affected Waterbodies: Approximately 0.5 acre (ac) of forested wetland in total will be permanently impacted due to the placement of clean earthen fill, as well as temporary placement of earthen fill to emergent wetland totaling 1.44 ac and forested wetland totaling 0.55 ac in size. Permanent stream impacts will be required for the placement of bank stabilization riprap along a total of 80 linear feet (lft) ephemeral stream and 180 lft of intermittent stream. Temporary intermittent stream impacts from dewatering activities total 396 lft.

5. Project Description: The proposed project seeks to conduct maintenance and capacity expansion activities at the existing Oliver Storage Facility.

Comment Period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions?

You can view application documents on IDEM's Regulatory ePortal website. Go to waterquality.idem.in.gov. Once there, click on the box that says "Site Map Explorer". This will open a new browser tab. In the "Search" box on the left, type "Oliver Storage Field Extension", then click on the site when it shows up underneath the search box. The box will expand and show information about the site. Under the "Documents" tab in this box, you'll be able to find and download documents related to the project.

Submit requests for additional information and written comments to WaterwaysComments@idem.IN.gov. In the subject line of the email, please include the IDEM ID Number listed in the top right corner of the first page of this public notice. Indicate if you wish to receive a copy of IDEM's final decision. Comments and inquiries may also be forwarded to -
