PUBLIC NOTICE

IDEM WQC Number:
WQC001506

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

3. Project Location: Fort Wayne, IN, 46825
Latitude: 41.1701
Longitude: -85.0936

4. Affected Waterbodies: Wetlands

5. Project Description: AEP Indiana Michigan Transmission Company proposes to permanently convert 0.156 acre of forested wetland to emergent wetland from the relocation of a right-of-way. Permanent impacts also include 0.001 acre of emergent wetland to be filled as part of structure replacements. Additionally, temporary impacts include 0.536 acres of wetland from temporary access, matting, and structure removal. All temporarily disturbed wetlands will be restored. Proposed mitigation for permanent impacts to wetlands is the purchase of 0.625 wetland credit from Indiana Stream and Wetland Mitigation Program within the Maumee Service Area.

Comment Period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? You can view application documents on IDEM's Regulatory ePortal website. Go to waterquality.idem.in.gov. Once there, click on the box that says "Site Map Explorer". This will open a new browser tab. In the "Search" box on the left, type "Robison Park - Harlan West/East 69 kV Transmission Rebuild Project", then click on the site when it shows up underneath the search box. The box will expand and show information about the site. Under the "Documents" tab in this box, you'll be able to find and download documents related to the project.

Submit requests for additional information and written comments to WaterwaysComments@idem.IN.gov. In the subject line of the email, please include the IDEM ID Number listed in the top right corner of the first page of this public notice. Indicate if you wish to receive a copy of IDEM's final decision. Comments and inquiries may also be forwarded to -
