NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a
Significant Revision to a
Minor Source Operating Permit (MSOP)

for Windy Ridge Dairy, LLC in Jasper County

Significant Permit Revision No.: 073-50482-00044

The Indiana Department of Environmental Management (IDEM) has received an application from Windy Ridge Dairy, LLC, located at 1652 N 1100 W, Fair Oaks, IN 47943, for a significant revision of its MSOP issued on September 25, 2017. If approved by IDEM's Office of Air Quality (OAQ), this proposed revision would allow Windy Ridge Dairy, LLC to make certain changes at its existing source. Windy Ridge Dairy, LLC has applied to construct six (6) emergency generators, four (4) boilers, and one (1) water heater.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Jasper County Public Library (DeMotte Public Library)
901 Birch St SW
DeMotte IN 46310

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. Once you have accessed VFC, you will then have the option to search for source related documents using a variety of criteria. To find documents related to this air permit, click on "Advanced Search", specify "OAQ" in the Program search field, specify the five-digit permit number "50482" in the Permit # search field, then click the Search button at the top or bottom of the webpage.
