All comments must be postmarked no later than the date above to be considered in the formulation of the final determination. All comments will be considered by IDEM when we make a decision to issue or deny the permit application. Comments that are most likely to affect the decision are those based on the rules and laws governing this permitting process (327 IAC 8-3). The permit, if issued, will be available through IDEM's virtual file cabinet. Any questions concerning this project should be directed to the Construction Permits Section of the Drinking Water Branch, Office of Water Quality, IDEM at 317-234-7425.
