NOTICE OF PUBLIC HEARING

Preliminary Findings Regarding a Significant Modification to a Part 70 Operating Permit

for U.S. Steel Corporation - Gary Works in Lake County

PSD/Significant Source Modification No.: 089-50605-00121
Significant Permit Modification No.: 089-50609-00121

The Indiana Department of Environmental Management (IDEM) has received an application from U.S. Steel Corporation - Gary Works, located at One North Broadway, Gary, Indiana 46402, for a PSD/Significant Source Modification and Significant Permit Modification. IDEM's Office of Air Quality (OAQ) issues this type of permit to regulate the operation of existing sources and modifications at existing sources that release air pollutants.

The Office of Air Quality (OAQ) had a notice posted on IDEM's website (<https://www.in.gov/idem/public-notices/>) stating that the draft PSD/Significant Source Modification and Significant Permit Modification for U.S. Steel Corporation - Gary Works had been proposed for this operation and provided information on how the public could review the proposed permit and other documentation. Due to a written public hearing request and several comments received by IDEM from interested parties, a public hearing will be held on Wednesday, November 4, 2026 to discuss air permitting for U.S. Steel Corporation - Gary Works.

You are invited to attend a virtual public hearing regarding the U.S. Steel Corporation - Gary Works air permitting preliminary findings. The Indiana Department of Environmental Management (IDEM) will hold a public hearing to allow for testimony regarding the draft PSD/Significant Source Modification and Significant Permit Modification. **IDEM, OAQ will not provide responses to questions or comments made during the hearing.** IDEM will review all comments and questions received during the hearing, and submitted as part of the public comment period, and after careful consideration and further analysis, if necessary, provide detailed responses in writing as part of the final decision.

IDEM, OAQ will hold this virtual public hearing via Microsoft Teams at the following time and internet address:

Wednesday, November 4, 2026, starting at 6:00 PM, Central Standard Time at
<https://on.in.gov/usshear>

Meeting ID: 246 802 216 920 180
Passcode: BQ7X2dn7

The hearing will end at 9:00 PM, Central Standard Time, or when all testimony has been provided, whichever is earlier.

Attendees may also participate in the public hearing by telephone using the following telephone number:

We appreciate your input!

1. The public hearing will be conducted using the Microsoft Teams software application. Participants will be able to join the hearing without downloading the Teams application.
2. Participants, especially those wishing to speak, should also add their name, when prompted, while joining or signing into the meeting.
3. When participants join the hearing, they will be placed in a virtual waiting room until the public hearing begins. Anyone wishing to provide oral comments during the hearing should complete the Speaker Form using the instructions available in the waiting room. The form link and waiting room will be available beginning about 30 minutes before the scheduled start of the hearing.
4. It is recommended that anyone speaking during the hearing use headphones with a microphone.
5. The chat feature will only be used for participants who have procedural questions or need technical assistance during the hearing. Chat messages will not become part of the record and will not be considered comments on the draft permit documents.
6. Participants with documents, presentations or other materials will not be able to submit them during the meeting. These materials should be submitted to IDEM, OAQ during the public comment period pursuant to the instructions included in the public notice that was posted on IDEM's website (<https://www.in.gov/idem/public-notices/>).
