NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a
Significant Revision to a
Federally Enforceable State Operating Permit (FESOP)

for BioVivo Science LLC in Clark County

Significant Permit Revision No.: 019-49832-00167

The Indiana Department of Environmental Management (IDEM) has received an application from BioVivo Science LLC, located at 285 Paul Garrett Avenue, Jeffersonville, Indiana 47130, for a significant revision of its FESOP issued on July 17, 2025. If approved by IDEM's Office of Air Quality (OAQ), this proposed revision would allow BioVivo Science LLC to make certain changes at its existing source. BioVivo Science LLC has applied to add and modify multiple units.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). The potential to emit regulated air pollutants will continue to be limited to less than the Title V and PSD major threshold levels. IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

IDEM is aware that the electric-fired spray dryers P37Da and P38D, diesel-fired emergency generator EG-1, fully enclosed molecular distillation unit P24, two (2) solid packaging lines, and various tanks, have been constructed and operated prior to receipt of the proper permit. IDEM is reviewing this matter and will take appropriate action. This draft permit contains provisions to bring unpermitted equipment into compliance with construction and operation permit rules.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Charlestown Clark County Public Library Charlestown Library

The notice will provide details on how you may appeal IDEM's decision, if you disagree with that decision. The final decision will also be available on the Internet at the addresses indicated above and will also be sent to the local library indicated above.
