PUBLIC NOTICE

DATE COMMENTS DUE: 12/2/2026

DATE OF NOTICE: 11/2/2026

The Indiana Department of Environmental Management (IDEM) has received an application for a construction permit from the INDIANA AMERICAN WATER - NOBLESVILLE, public water system 5229015. The project includes the construction of two (2) new wells, installation of two (2) vertical turbine pumps, associated electrical work, instrumentation, and control system improvements, and associated piping and valves. The project also includes raw water transmission main installation from the new well field site to the Allisonville Road Water Treatment Facility.

If approved the permit will become effective on the date of issuance.

All comments must be postmarked no later than the date above to be considered in the formulation of the final determination. All comments will be considered by IDEM when we make a decision to issue or deny the permit application. Comments that are most likely to affect the decision are those based on the rules and laws governing this permitting process (327 IAC 8-3). The permit, if issued, will be available through IDEM's virtual file cabinet. Any questions concerning this project should be directed to the Construction Permits Section of the Drinking Water Branch, Office of Water Quality, IDEM at 317-234-7425.
