

EARTH DAY

BINGO!

Name: _____

K-2 Grade

See if you can get a bingo with things you do every day to protect the earth, its plants, and the animals that call it home.

While we celebrate Earth Day on April 22nd every year, we can be good stewards of our planet every day!

Our planet provides valuable natural resources that help us live our daily lives.

To have clean air, water, and land we must limit the activities that do damage to our resources.

By protecting natural resources, like clean water and air, we will have more in the future.

Conserve energy:
Turn off lights when you leave the room.

Go on a nature hike with your family.

Help wildlife:
Plant a native tree.

Use reusable containers and bags for your lunch.

Conserve water:
Turn off the water while brushing your teeth.

Learn a fun animal fact.

Read a book about nature.

Reduce trash in landfills:
Recycle!
