

WANTED

FOR RECYCLING

MILK JUG GUY

ALIASES: #2, HDPE. PROFILE: When recycled, Milk Jug Guy and the #2 Bottle Family can be put to work making car parts, plastic lumber, dog houses, fencing, mail box posts, shopping carts and curbside recycling bins. They can be identified by their ♻️ tattoo.

NEWSPAPER GUY

ALIAS: The Paper. PROFILE: Recycling is a black and white issue with Newspaper Guy. He can be recycled into pencils, notebook paper, grocery bags and newspapers. His cronies include Office Paper Guy and Computer Paper Guy, who are also wanted for recycling.

MOTOR OIL GUY

ALIASES: Slick, 10-W-30. PROFILE: If carelessly dumped, Motor Oil Guy poses a serious threat to aquatic life, wildlife and water supplies. Recycle your used oil and oil filters at collection sites across Indiana.

PLASTIC BOTTLE GUY

ALIASES: #1, PETE. PROFILE: Plastic Bottle Guy can be recycled into T-shirts, backpacks, lunch and tote bags and carpet. Remember to recycle his accomplices, such as shampoo and water bottles as well as 12-, 16- and 20-ounce soft drink bottles. They all have a ♻️ tattoo.

ALUMINUM CAN GUY

ALIASES: Can Man, The Six-Pack Kid. PROFILE: Aluminum Can Guy is one of the most wanted recyclables in the country. He is notorious for his quickness and "can-do" attitude. He can be recycled into a new aluminum can and be back on the store shelf within six weeks.

DOTTIE BOTTLE

ALIAS: Ms. Glass. PROFILE: Dottie Bottle is a master of disguise. She frequently changes her colors and may appear in green, clear and brown. All colors are 100 percent recyclable. Glass never wears out, it can be recycled forever into new glass bottles and jars.

STEEL CAN GUY

ALIAS: The Steel City Kid. PROFILE: Steel Can Guy is a tough character. Steel cans, like soup, fruit and vegetable cans, can be recycled over and over again into new steel products. All new steel contains recycled steel. In fact, when you buy steel products, you're buying recycled.

WANTED FOR ENERGY CONSERVATION
E2

ALIASES: The Kilowatt Kid, Sunny. PROFILE: E2 is always out to save a buck (and natural resources) by conserving energy. Turn off the lights, computer, TV and radio when leaving a room. Use energy-efficient bulbs. Use the sun's light, too. Sit by the window to read.

COMPOST GUY

ALIAS: Leaf Brown. PROFILE: Compost Guy and his Scrap Food Gang are the most trouble when placed in a garbage can or bag. If placed in a compost bin at home, over time, they make a rich addition to soil for gardens and flower beds.

BATTERY GUY

ALIAS: Juice. PROFILE: Car and truck lead acid batteries should be recycled. In Indiana, dealers are required to take old batteries when new ones are purchased. Spent lead acid batteries may not be discarded in Indiana landfills.

TIRE GUY

ALIAS: Wheels. PROFILE: Worn-out Tire Guy has new ways to hit the road. He can be made into new highways and roads; used to cushion athletic fields and playgrounds; made into exercise pads, mulch, walkways, garden soaker hoses and mouse pads. Indiana retailers are required to accept one tire for each new tire that is sold to their customers, so that makes it easy for you to recycle your old tires when you buy new ones.

LETTER LADY

ALIASES: Ann V. Lope, Junk Mail. PROFILE: Letter Lady most often shows up uninvited in your mailbox. She is one of more than 62 billion pieces (4 million tons) of junk mail produced in the United States each year. Did you know that unwanted mail can be made into pencils? If she does come visit, recycle her and help her become a pencil or some other useful item.

**INDIANA
DEPARTMENT OF
ENVIRONMENTAL
MANAGEMENT**

MOTOR OIL GUY, BATTERY GUY AND TIRE GUY ARE CONSIDERED DANGEROUS IF DISPOSED OF IMPROPERLY.

All others are considered harmless, unless they are litter. If located, please pick up and deposit in the nearest recycling bin. For further information, please contact your local recycling coordinator or visit
