# Waste Classification Guide

*For Solid Waste Facility Quarterly Reports*

## Solid Waste

### Municipal Solid Waste (MSW)

- Residential
  - Single- and multi-family units
  - Other (campgrounds, parks, etc.)
- Commercial
  - Retail and wholesale
  - Service industry
- Institutional
  - Prisons, hospitals, schools, and universities
  - Government sector
- Industrial non-process
  - Offices, lunchrooms, restrooms

### Reuse

- Waste material utilized for construction purposes in a landfill.

### Non-Municipal Solid Waste

- C/D Debris
- Foundry
- Coal Ash
- FGD Waste
- Other

## Categories Included

### Municipal (MSW)

- Residential
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Office wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

- Commercial
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

- Institutional
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

- Industrial non-process
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

### C/D Debris

- Construction / Demolition
  - Construction industry
  - Demolition companies
  - Uncontaminated solid waste resulting from the construction, remodeling, repair, or demolition of structures. For example:
    - Scrap lumber, wallboard
  - Roofing materials
  - Plumbing and electrical fixtures
  - Bricks, concrete, glass
  - Non-asbestos insulation

- Foundry Waste
  - Waste sand, slag, sludge, core waste, dust fines, etc.

- Coal Ash
  - Coal ash
  - Fly ash, bottom ash, etc.
  - Ash resulting from the combustion of coal

- FGD Waste
  - Flue gas desulfurization byproducts
  - Scrubber / FGD sludge
  - Pollution control sludges resulting from coal combustion

- Other
  - Manufacturing process wastes (resins, oxides, etc.)
  - Asbestos-containing wastes
  - Pollution control waste
  - Oil/ gas/ mining wastes
  - Incinerator residues
  - Low-level PCB wastes
  - Contaminated Soils

- Reuse
  - Alternates Daily Cover
  - Road Construction
  - Leachate Collection System Construction
  - Landscaping Mulch

## Examples

**Waste Type**

- Residential
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Office wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

- Commercial
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

- Institutional
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes

- Industrial non-process
  - Consumer goods
  - Packaging wastes
  - Meals/lunchroom wastes
  - Yard trimmings / vegetation
  - Appliances and furniture
  - Automobile parts
  - Rinsed pesticide containers
  - Small animal carcasses
  - Household medical wastes
  - Household hazardous waste (includes oil, batteries, etc.)
  - Treated Infectious wastes
