

# TITLE 327 WATER POLLUTION CONTROL DIVISION

## Rule Information Sheet

IC 13-14-9.5-1.1 Notice of Review of Nonexpiring Rules for Title 327  
LSA Document #21-119

### Overview

Certain rules described in IC 13-14-9.5-1.1 do not expire after seven years. These types of rules are: (1) rules required to receive or maintain delegation, primacy, or approval for implementation or operation of a program established under federal law; and (2) rules required to begin or continue receiving federal funding for implementation or operation of a program.

The Indiana Department of Environmental Management (IDEM) is required to publish a list of these rules that have been effective for seven years and request comment, in a 30 day comment period, on any specific rule that should be reviewed through the regular rulemaking process under IC 13-14-9. This notice was published in the Indiana Register on March 31, 2021 at DIN: 20210331-IR-327210119BNA. No comments were received during the comment period. IDEM must also hold a public hearing before the Environmental Rules Board (board). The board, after considering the comments, responses, and testimony at the hearing, will direct IDEM on whether additional rulemaking actions must be started to address concerns raised to the board.

The affected rules can be viewed online by clicking on the list of citations in the IC 13-14-9.5-1.1 Notice of Review of Nonexpiring Rules (DIN: 20210331-IR-327210119BNA).
