Help us celebrate our 26th Year!!!

The Partners for Pollution Prevention are soliciting your participation in our **26th Annual Pollution Prevention Conference and Trade Show**. The theme for this year is **“Re-Branding Sustainability”**. Your presence at the Conference helps to attract many of our attendees and provides all of us an opportunity to learn about your products and services that can help us prevent pollution. The Conference will be held on **September 20, 2023, 8:30 am to 4:25 pm EST, with registration starting at 8:00 am**.

You, as an exhibitor, offer one of the most valued means of information exchange at the Conference. This year again, each exhibitor will have the opportunity to give a 30 second “elevator speech” to the assembled attendees during the morning welcoming festivities. Take advantage of this opportunity to network with the people and companies at the forefront of the pollution prevention field. **You can set up your booth any time between 6 pm to 8 pm EST on the evening prior to the conference, September 19th and/or between 6:30 am -8:00 am EST on the morning of the Conference, September 20th.**

The fee for exhibitors will be \$500. This includes one 3 foot by 6 foot table, two chairs, and registration for two people for the conference. All booths will have electricity available. To register as an Exhibitor, please visit the Eventbrite registration page and follow the prompts.
