

28th Annual Partners for Sustainability Conference and Trade Show September 17, 2025

Dear Partners and Supporters,

Please consider sponsoring the Indiana Partners for Sustainability (formerly Indiana Partners for Pollution Prevention) **28th Annual Partners for Sustainability Conference and Trade Show**.

Purchasing a conference sponsorship is a great outreach opportunity that will highlight your company's or organization's commitment and accomplishments towards achieving a sustainable future. Furthermore, your support is vital to the success of the Conference and the Indiana Partners for Sustainability group as we continue to operate only through sponsorships and conference registrations.

The event will be held **September 17, 2025, at the Indianapolis Marriott North at Keystone at the Crossing in Indianapolis, Indiana**. As always, the conference will be full of opportunities for networking among sponsors, attendees, and exhibitors.

Sponsorships for the 2025 Indiana Partners for Sustainability Annual Sustainability Conference and Trade Show can be purchased through [EVENTBRITE](#). Once you enter the Eventbrite site, click on the red "Tickets." After you select a ticket for your desired sponsorship and begin the "checkout" process, the purchase may be completed using a credit card, check, or by requesting an invoice.

The following levels of sponsorship are available: **Gold, Silver, and Bronze**, as well as opportunities to **sponsor the breakfast, the lunch, the beverage station and the afternoon break**. Your support is much needed and greatly appreciated!

In order for your company's logo to be included in the conference marketing materials, we will need your commitment and company logo, in high resolution format, by **July 15, 2025**. Any sponsorship received after that date may be included on the conference webpage but may not be included in the printed conference marketing materials. If your supplied logo is not of sufficient resolution, then only your company name will be displayed. If you have not sponsored in the past or have changed your logo, please contact Mike Foster at FOSTER.EA@LILLY.COM with this information.

Thank you for your support of the Indiana Partners for Sustainability. Your active participation and financial support make it possible for the group to continue providing a forum where Indiana organizations can network and exchange sustainability-related ideas and outcomes.
