## Partners Pledge

- ✓ Ensure all employees are aware of the commitment to pollution prevention and understand their role in implementing pollution prevention objectives and goals.
- ✓ Incorporate pollution prevention planning in the development of new products, processes, and/or services.
- ✓ Establish a mechanism to monitor waste generation and identify realistic pollution prevention goals.
- ✓ Establish a process to listen and respond to stakeholder concerns.
- ✓ Make available your general waste reduction and pollution prevention information to members of our community, IDEM, and the Partners, if requested.
- ✓ Establish an outreach program for promoting and supporting pollution prevention efforts.
- ✓ Participate in two or more Partners meetings annually.
- ✓ Support the annual Pollution Prevention Conference and Trade Show.
- ✓ Submit an annual pollution prevention activity certification.
