

KIMBALL INTERNATIONAL

SUSTAINABILITY METRICS

On October 2014 Kimball International successfully spun off its Kimball Electronics Group into a new company, Kimball Electronics, Inc.

The spin off process required Kimball International to also separate the Sustainability Metrics in both Absolute and Normalized (*Product Produced*).

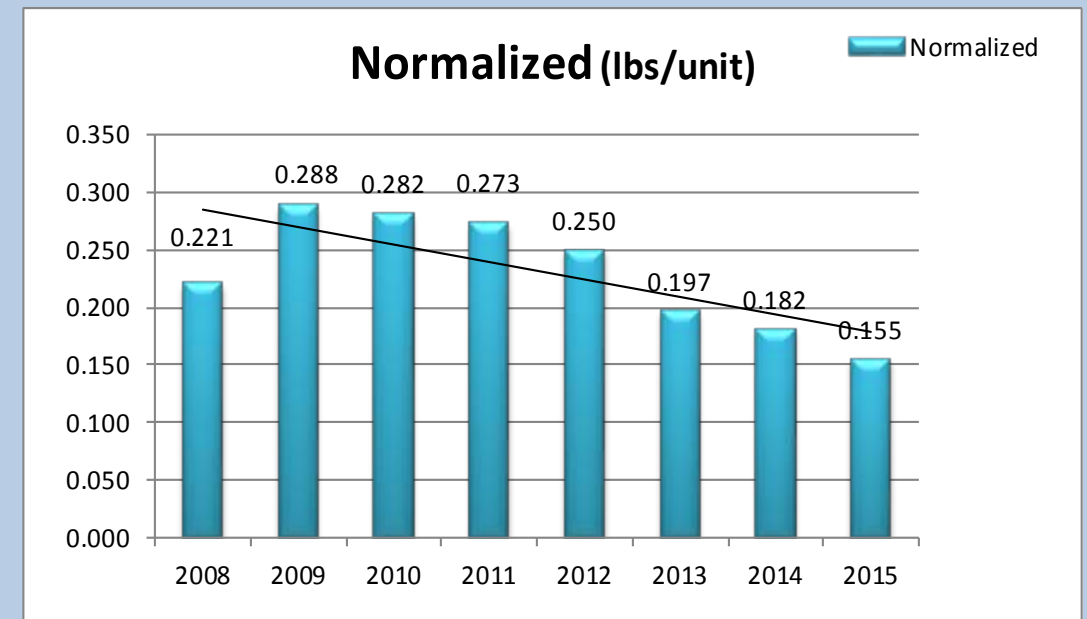

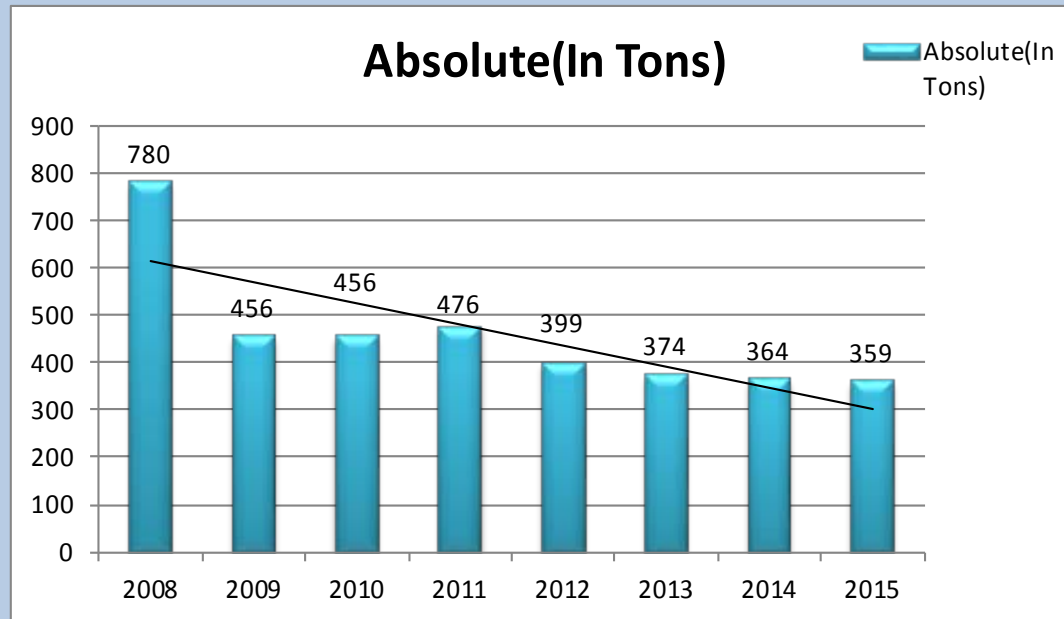

The following numbers and graphs were compiled using the current Kimball International operations without Kimball Electronics.

Kimball International Air Emissions (VOCs) Summary

Current Kimball Operations

2008	2009	2010	2011	2012	2013	2014	2015
------	------	------	------	------	------	------	------

Absolute(In Tons)	780	456	456	476	399	374	364	359
Normalized	0.221	0.288	0.282	0.273	0.250	0.197	0.182	0.155

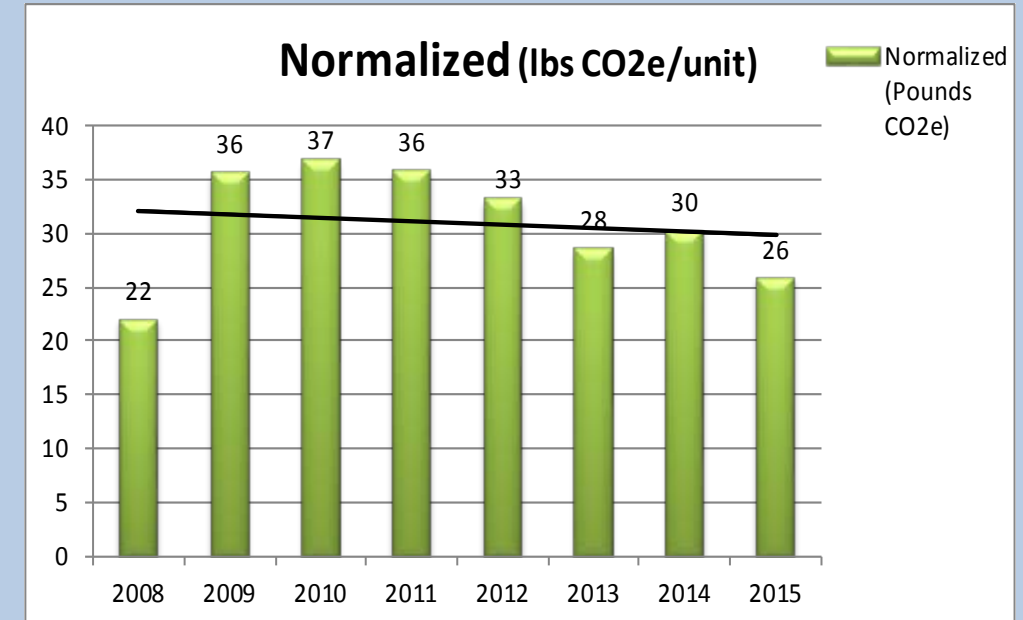

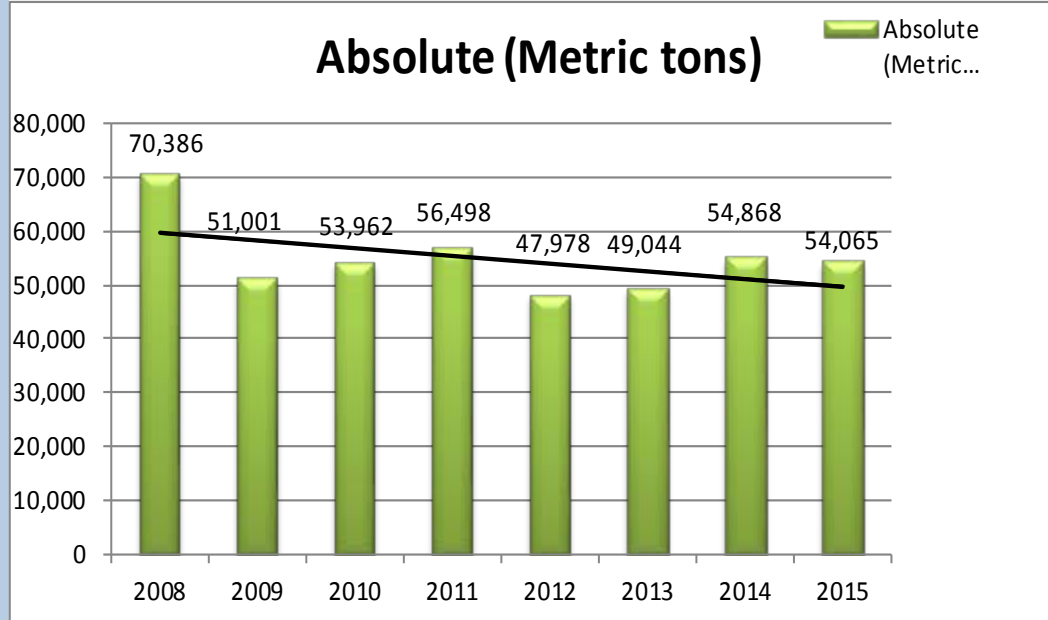

Kimball International Greenhouse Gas Summary

Current Kimball Operations

2008	2009	2010	2011	2012	2013	2014	2015
------	------	------	------	------	------	------	------

Absolute (Metric tons)	70,386	51,001	53,962	56,498	47,978	49,044	54,868	54,065
Normalized (Pounds CO2e/unit)	22	36	37	36	33	28	30	26

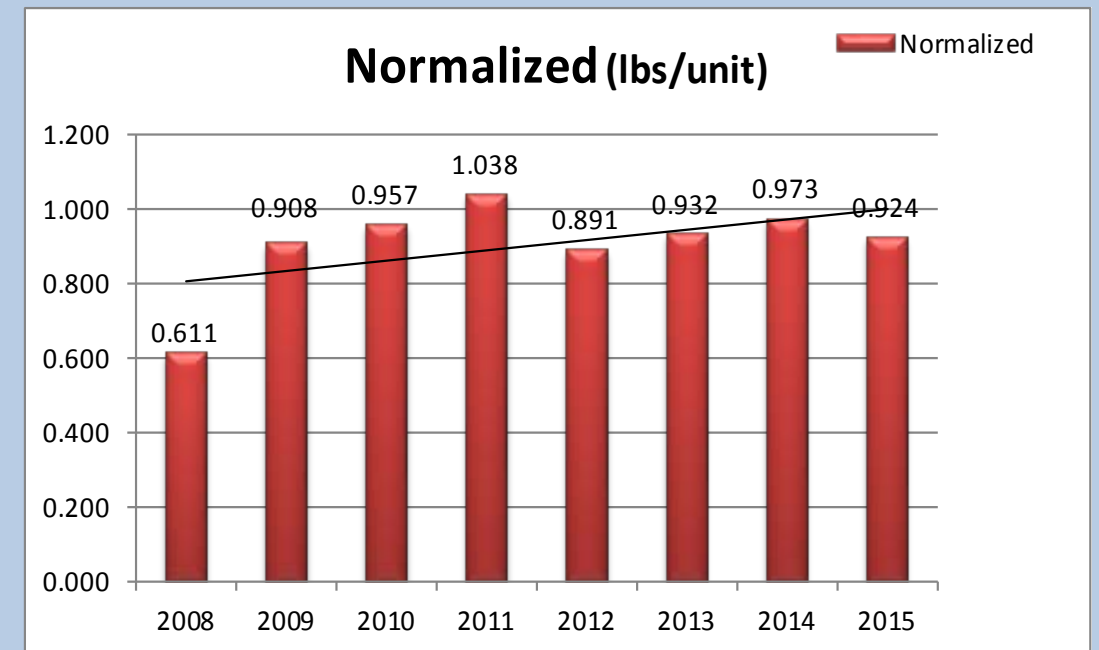

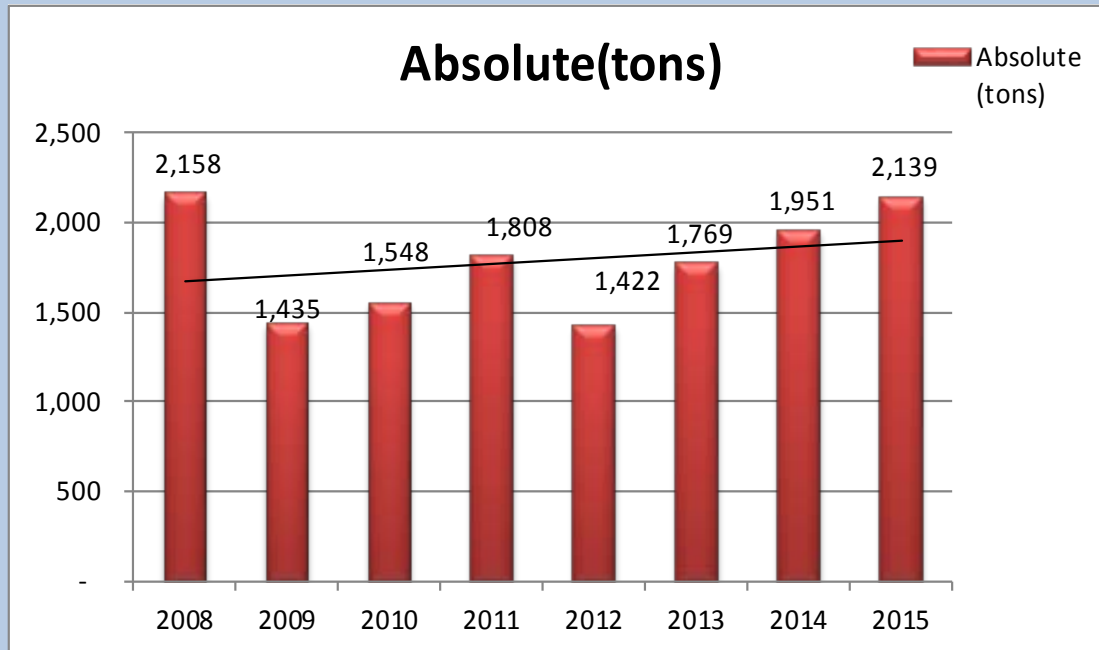

Kimball International Solid Waste Generated to Landfill Summary

Current Kimball Operations

2008	2009	2010	2011	2012	2013	2014	2015
------	------	------	------	------	------	------	------

Absolute(tons)	2,158	1,435	1,548	1,808	1,422	1,769	1,951	2,139
Normalized	0.611	0.908	0.957	1.038	0.891	0.932	0.973	0.924

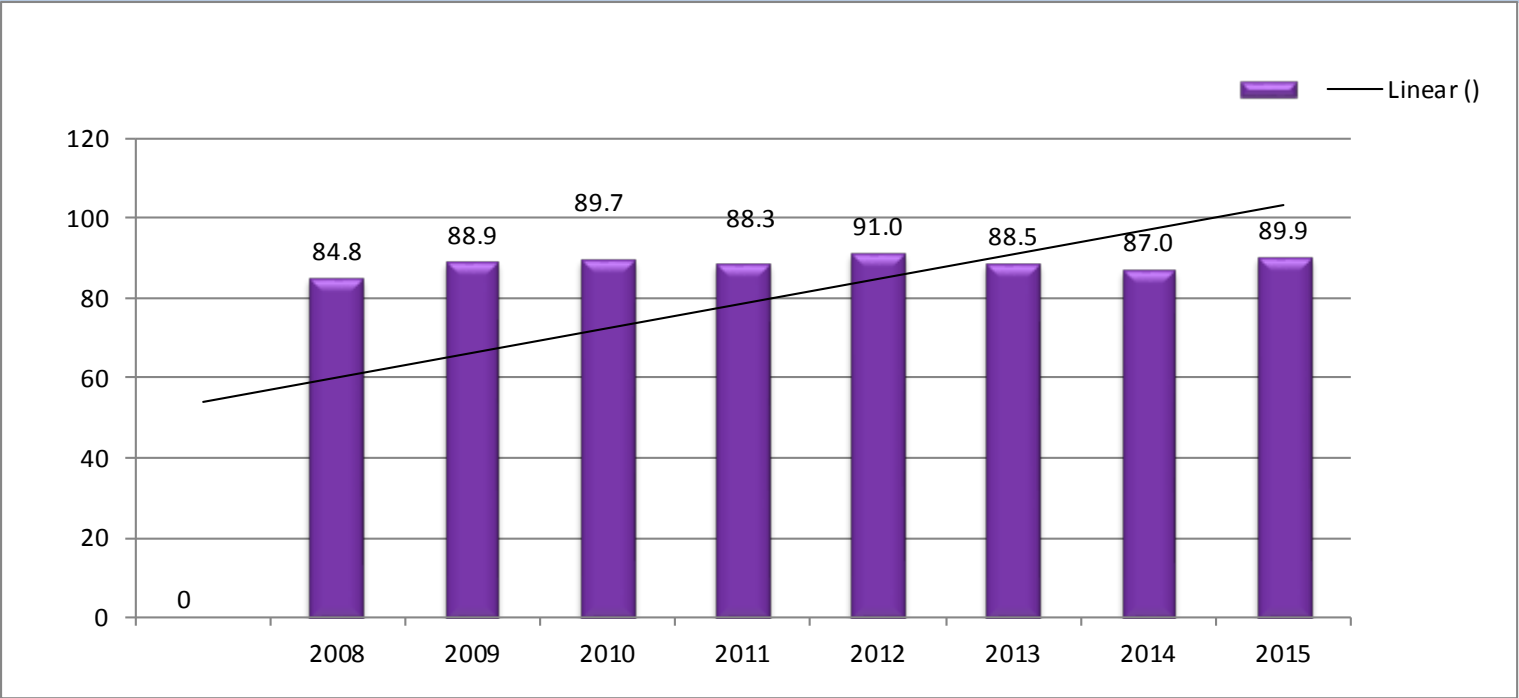

Kimball International

Percent of Solid Waste Recycled or Reused

Current Kimball Operations

2008	2009	2010	2011	2012	2013	2014	2015
------	------	------	------	------	------	------	------

Recycle	84.8	88.9	89.7	88.3	91.0	88.5	87.0	89.9
---------	------	------	------	------	------	------	------	------

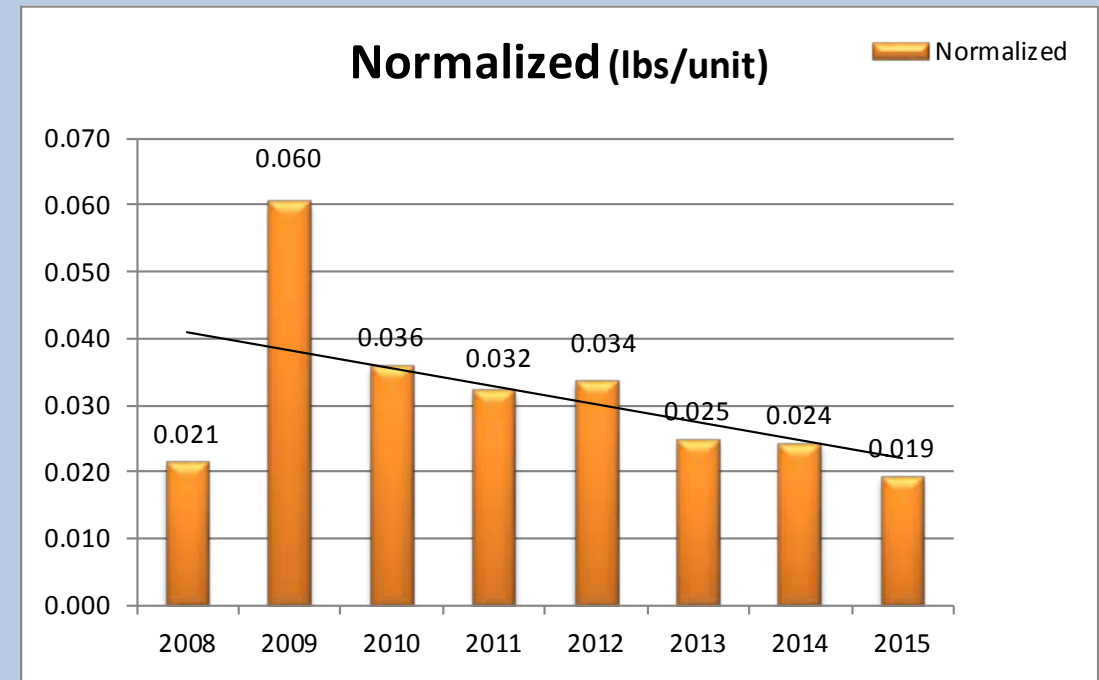

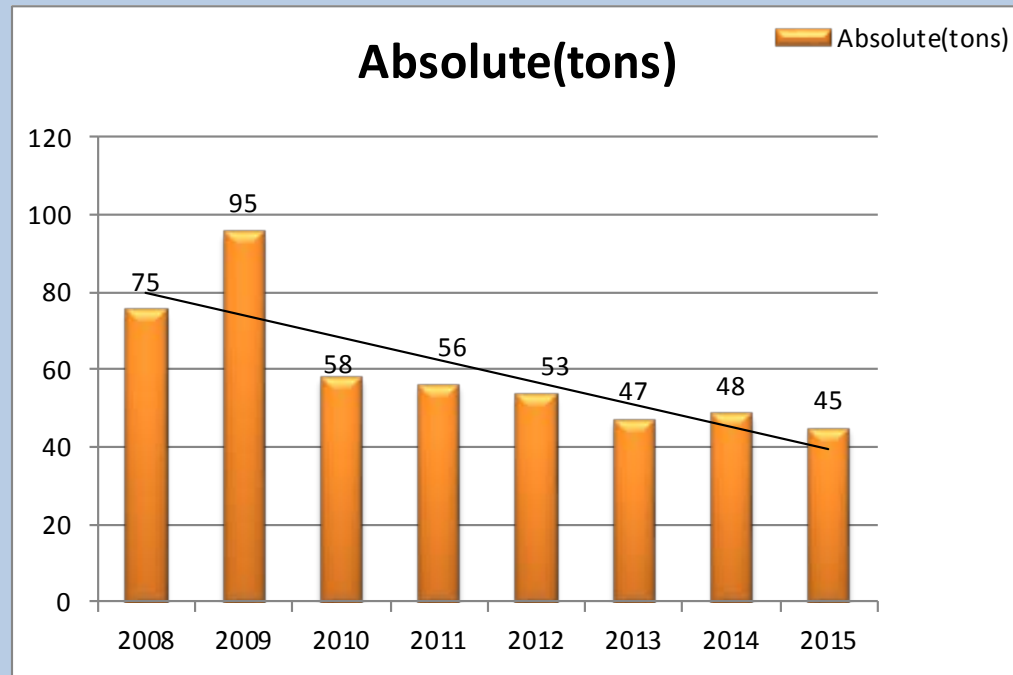

Kimball International Hazardous Waste Generated Summary

Current Kimball Operations

2008	2009	2010	2011	2012	2013	2014	2015
------	------	------	------	------	------	------	------

Absolute(tons)	75	95	58	56	53	47	48	45
Normalized	0.021	0.060	0.036	0.032	0.034	0.025	0.024	0.019

Kimball International Water Usage

Current Kimball Operations

2008	2009	2010	2011	2012	2013	2014	2015
------	------	------	------	------	------	------	------

Absolute(gallons)	31,075,348	23,903,986	22,227,211	18,189,381	16,319,561	15,441,341	18,179,853	12,904,689
Normalized	4.40	7.56	6.87	5.22	5.12	4.07	4.74	2.79
