Annual Reporting

April 6, 2017

Annual Pledge Recertification (APR)
forms due **June 1, 2017!**

Why do you need to report?

- Measure success
- See what other Partners are doing
- Use as a tool to plan for the future

What does IDEM do with the data?

- Reporting to Governor's office, National Pollution Prevention Roundtable, and U.S. EPA.
- Use data to show success of program and encourage new partners to join.
- Secure grant funding.

2015 Reductions

Category	Indicator	Amount	Unit
Air Emissions	Vehicle Miles	12,500	miles
Air Emissions	VOC	91,600	pounds
Air Emissions	Toxic Air	1,276,000	pounds
Energy Use Reduction	Natural Gas	100,490	btu
Energy Use Reduction	Electricity	47,791,837	kwh
Green Energy	Biomass Generated	86,513,000	kwh
Greenhouse Gases	CO ₂ e	19,964	metric tons
Greenhouse Gases	CO ₂	8,194,000	pounds
Hazardous Materials	Hazardous Materials	3,200	pounds
Hazardous Wastes	Hazardous Waste	537,341	pounds
Non-Hazardous Materials	Non-Hazardous Materials	225,770	pounds
Non-Hazardous Solid Wastes	Solid Waste	25,676,325	pounds
Waste Recycling/Recover/Reclaim/Reuse	Recycling	144,239,980	pounds
Water Use Reduction	Water Use	71,275,350	gallons

New Metrics to Report

- Pounds of pollution prevented
- Gallons of water reduced
- Electricity (kWh) reduced
- Natural gas (BTU) reduced
- Acres of land conserved or restored

Annual Pledge Recertification (APR)
forms due **June 1, 2017!**

2016 Annual Pledge Recertification Due June 1st, 2017

Reaffirm your membership! Use this form if you are a member of the Indiana Partners for Pollution Prevention (Partners) to report on environmental improvement projects and reaffirm your membership. Indiana Partners must submit an Annual Pledge Recertification (APR) by June 1st of every year. **Completion of this form is required for continued membership in the Partners for Pollution Prevention.** Upon completion of this form, e-mail the APR to IDEM at partners@idem.in.gov. If you have any questions, please contact IDEM at partners@idem.in.gov or (800) 988-7901.

Directions: Please complete the entire form in as much detail as possible. If the question does not apply to your facility or organization, please leave it blank. **If you are an organization, such as a consulting firm, that works with facilities on P2 efforts, you may include data from Indiana facilities that you have assisted that are NOT current members of the Partners or the Indiana Environmental Stewardship Program.**

DO YOU WISH TO RECERTIFY? Yes ☐ No ☐ (If no, please complete Parts I and III and return to IDEM.
Your facility will be removed from the Partners membership.)

Section 1 – Contact Information

PART 1 – PARTNER ORGANIZATION INFORMATION <i>(required)</i>	
<i>This section allows the Executive Committee to update their records to reflect any changes at your organization within the past year.</i>	
PROVIDE TWO CONTACTS.	
Name of Organization (as it should appear on publications)	County
Street Address (number and street)	City/State/ZIP Code
Primary Facility Contact (Required)	
Title	Secondary Facility Contact (Required)
Address (number and street, if different from above)	Title
City/State/ZIP Code	Address (number and street, if different from above)
E-mail Address	City/State/ZIP Code
Phone Number	E-mail Address
	Phone Number

If recertifying, do you want to be included in the Partners Member Directory?

Yes ☐ No ☐

The directory may be distributed to active Partners for improved networking and information sharing among members.

How many employees (full time equivalents) currently work at your facility?

- ☐ < 50
☐ 50-99
☐ 100-499
☐ 500-1,000
☐ > 1,000

Have there been any changes or additions to your facility's list of products or activities?

Section 2 – Reaffirmation of Pledge

As a member of the Indiana Partners for Pollution Prevention (Partners), you pledge to:

- Ensure employees are aware of your company's commitment to pollution prevention (P2) and understand their role in implementing P2 objectives and goals;
- Incorporate P2 planning in the development of new products, processes, and/or services;
- Establish a mechanism to monitor waste generation and identify realistic P2 goals;
- Establish a process to listen and respond to stakeholder concerns;
- Make available, at the request of your community, IDEM, and the Partners, information about your company's waste reduction and pollution prevention efforts;
- Establish an outreach program for promoting and supporting P2 efforts in your community;
- Participate in two or more Partners quarterly meetings each year;
- Support the Partners Annual Pollution Prevention Conference and Trade Show; and
- Submit to the Partners an annual pollution prevention activity certification.

Section 2 (continued)

- Be sure to read through all the questions and answer appropriately.
- Some questions apply to ALL Partners, while some only apply to manufacturing or service provider.
- Be as specific as possible when providing examples!

Section 3 – P2 Efforts

- Include narrative description of project.

Example:

Our goal for 2016 was to reduce site hazardous waste generation by 30% so that we can move from SQG to CESQG status. We achieved this goal through the elimination of solvent-based architectural paints and clean up solvents, elimination of solvent-based parts washers, and change in media blast material.

Section 3 (continued)

Select all categories of pollution prevention that apply to this project.

- Non-Hazardous Materials
- Non-Hazardous Solid Wastes
- Hazardous Materials
- Hazardous Wastes
- Water Use Reduction
- Water Pollution (includes point sources, nonpoint sources and storm water)
- Waste Recycling/Recover/Reclaim/Reuse
- Air Emissions, includes mobile services
- Greenhouse Gases
- Energy Use Reduction
- Green Energy

Section 3 (continued)

Provide baseline and current year quantities of the category that you previously selected.

Provide baseline and current year quantities of the category that you selected above.

	Baseline	Current	Unit
Calendar year	<input type="text"/>	<input type="text"/>	N/A
Quantity per year of P2 category, (from above, actual values)	<input type="text"/>	<input type="text"/>	<input type="text"/>
Cost Savings	\$ <input type="text"/>		
Production Quantity per year (to help normalize the data)	<input type="text"/>	<input type="text"/>	<div><input type="checkbox"/> Earned Labor Hours <input type="checkbox"/> Production units <input type="checkbox"/> Production lbs. <input type="checkbox"/> Other -- specify (e.g. Gallons, length, etc.) <input type="text"/></div>

Section 3 (continued)

Provide baseline and current year quantities of the category that you previously selected.

Example:

Provide baseline and current year quantities of the category that you selected above.

	Baseline	Current	Unit
Calendar year	2015	2016	N/A
Quantity per year of P2 category, (from above, actual values)	6,438	3,637	pounds
Cost Savings	\$ <input type="text"/>		
Production Quantity per year (to help normalize the data)	165,953	168,258	<input type="checkbox"/> Earned Labor Hours <input type="checkbox"/> Production units <input type="checkbox"/> Production lbs. <input checked="" type="checkbox"/> Other -- specify (e.g. Gallons, length, etc.) <input type="text"/> Production Tonnes

Section 4 – Suggestions & Input

Your suggestions and input assist the Partners Executive Committee in making improvements to best serve your P2 needs in the future.

Remember Annual Pledge Recertification (APR) forms due June 1, 2017!

As a THANK YOU for submitting the completed APR on time, the Executive Committee will provide a 5% discount on attendee registration tickets* for the Annual Pollution Prevention Conference and Trade Show scheduled on September 20, 2017!

** Valid for up to 2 tickets*
