The Partners for Pollution Prevention is an organization comprised of Indiana industries, businesses, nonprofit organizations and governmental entities that are interested in pollution prevention as well as the financial and environmental benefits P2 projects can bring.

The Partners provide a forum where Indiana businesses can network and exchange ideas about P2 experiences and discuss how P2 fits into current and future IDEM programs. The Partners realize that pollution prevention is the arena where the environment and economics can meet on common ground.

EXECUTIVE COMMITTEE

- Aunna Huber Fadness Acuity Environmental Solutions
- Ben McKnight Electro-Spec, Inc.
- Daniel Stevens Allegion - Von Duprin, LLC
- David Taylor A.T. Environmental, Inc.

Become a Partner if you want to:

- Network with other Indiana businesses regarding P2;
- Have your organization be recognized as a pollution prevention leader in Indiana;
- Hear how other businesses have implemented successful P2 technologies;
- Learn how P2 can improve your business practices;
- Stay up to date with pollution prevention technologies; and,
- Become more aware of and involved in IDEM's efforts to integrate P2 into various programs.

To find out how to join, please visit the Partners website at www.idem.IN.gov/ppp or email partners@idem.IN.gov.
