Greendale Trash and Recycling Survey

Q5 Would you participate in a curbside recycling program if one was available?

Answered: 328 Skipped: 5

Answer Choices	Responses	
Yes	85.67%	281
No	14.33%	47
Total		328

CITY OF GREENDALE
CURBSIDE RECYCLING

- Reduce trash collection to one time per week
- Add a curbside recycling program on the second collection day
- Work to prevent price increases for waste collection

RECYCLING MARKET DEVELOPMENT PROGRAM

- \$43,346 received – matching amount for recycling cart purchase
(1,786 96-gallon and 200 64-gallon)
- Greendale purchased trash carts for each resident
(1,786 96-gallon and 200 64-gallon)
- Greendale total investment \$139,612

New Trash Carts & Curbside Recycling Service

Coming April 2018

Curbside recycling will begin as a one time per week collection in April of 2018. Trash collection will be one time per week. You will be advised of your recycling and trash collection days as well as acceptable materials in the coming weeks. All current Greendale Utility Sanitation customers will receive one 96 gallon recycling cart and one 96 gallon trash cart included in your current monthly \$20 waste removal fee. There will be no extra fees for these two carts.

When this new service begins, all materials must fit within the carts. Any materials left outside of the carts at curbside will not be collected.

Smaller 64 gallon carts are available instead of the 96 gallon *upon request and at no additional fee*. Please contact the Greendale Utility office in person or by phone at (812) 537-2125 by

December 20th if you prefer the smaller carts. If we do not hear from you, you will receive 96 gallon carts for trash and recycling. **ONLY** call if you want the smaller carts.
