

Partner Updates

May 14, 2025

Photo from September 2023 Partners Conference.

A photograph showing a flock of sheep grazing in a field of tall green grass. In the background, there are rows of solar panels mounted on metal frames, tilted towards the sun. The scene is set in a rural area with trees visible in the distance.

Welcome

Thank you AstraZeneca for hosting

Partners Executive Committee

OPEN*

OPEN*

OPEN*

From 2014 to 2023, the
Partners for Pollution Prevention* have...

**future years will report this as the Indiana Partners for
Sustainability that broadens the activities' data.*

Reduced nearly 75 million pounds of air emissions

This included over 48 million pounds of VOC reductions and nearly 14 million pounds of GHG reductions.

Conserved over
204.7 billion
kilowatt-hours
of electricity

Conserved more
than 277.6 trillion
BTUs of natural gas

Conserved over 304 billion gallons of water

Reduced over 516 thousand pounds of hazardous waste

HAZARDOUS WASTE	
FEDERAL LAWS PROHIBIT IMPROPER DISPOSAL	
IF FOUND, CONTACT THE NEAREST POLICE OR PUBLIC SAFETY AUTHORITY OR THE U.S. ENVIRONMENTAL PROTECTION AGENCY	
GENERATOR INFORMATION	
NAME _____	
ADDRESS _____	
CITY _____ STATE _____ ZIP _____	
EPA ID NO. _____	EPA WASTE NO. _____
ACQUAINTANCE START DATE _____	MANIFEST TRACKING NO. _____
[_____]	
HANDLE WITH CARE!	

Eliminated almost 225 million pounds of solid waste out of their processes

Recycled 4.7 billion
pounds of materials

Preserved 945 acres of land and habitat

Data for these total emission and waste reductions came from the Annual Partners Recertification (APR) reports submitted from members in 2014 through 2023 covering ten year's worth of data.

*In Process of reviewing and calculating 2024 data for update. See the updates at the Annual Conference 09/17/2025.

Current Membership - 91

*Several new
applications under
review now.*

*application under review/update

Marketing

Please help us grow this partnership by:

- Joining the LinkedIn group:
<https://www.linkedin.com/groups/13573197>
- Inviting your business colleagues from other companies to attend meetings and join the group
- Distributing Partners materials at conferences or meetings that you may attend - A Partners for Pollution Prevention brochure is available for download at
<https://www.in.gov/idem/partnerships/partners-for-pollution-prevention/about-partners/>

Pollution Prevention Scholarships

The Executive Committee offered \$1,000 scholarships to three Indiana schools*. The criteria required the recipient to be:

- Graduate or Undergraduate student and Indiana resident.
- Interested in pursuing industrial sustainability and/or pollution prevention in industry.

ENVIRONMENTAL AND
ECOLOGICAL ENGINEERING

SAVE THE DATES!

Partners Quarterly Meetings
