

Hoosier Riverwatch Volunteer Stream Monitoring

2019 Advanced *E. coli* Workshops

Advanced workshops are typically half-day in length. Participants must have completed a full-day, basic training workshop prior to signing up for an advanced workshop.

Saturday, June 8 **Greenwood, IN** – Greenwood Nature Center (9 AM – Noon). Instructors will be Carol Newhouse and Deanna Garner. Contact Mike Weaver at 317-887-4711 or stormwater@greenwood.in.gov to register.

Saturday, October 12 **Zionsville, IN** – SullivanMunce Cultural Center (9 AM – Noon). Instructor will be John Ulmer. Contact John at 317-769-3500 or hoosierwatersheds@gmail.com to register. Workshop will include background and hands-on practice with *E. coli* sampling, as well as introduction to the Hoosier Riverwatch online database.

2019 Basic Training Workshops

A Hoosier Riverwatch Basic Training workshop introduces you to hands-on water quality monitoring methods; in addition to basics about water, streams and pollution. With regard to monitoring you will learn about aquatic habitat, chemical and biological assessment techniques. Sessions are held in- and out-of-doors. All interested persons, age 18 and over, are welcome to attend. Once trained, certified educators may teach these methods and topics to their students.

Workshops are free, but you must contact the local host in advance to register. Training comes at a cost to the program, as well as to the host and/or instructor. So please be considerate and contact your instructor if you will not be able to attend the workshop that you have signed up for.
