ELTF Announcement July 29, 2020

On June 4, 2018, IDEM posted a letter on the [ELTF Announcements section](#) of the ELTF page on IDEM's website.

On March 18, 2019, Indiana's Office of Environmental Adjudication issued a [decision](#) (*Daleen1, Inc.*, 2019 OEA 1) that addresses the definition of "eligible party" for purposes of ELTF reimbursement.

Since the decision, IDEM reviewed all then-pending and subsequent ELTF claims in accordance with the OEA decision. Because the June 4, 2018 document no longer reflects current IDEM practices related to eligible party determinations, it has been removed from the ELTF Announcements section of the ELTF page on IDEM's website. Prior claims that were denied in conflict with the OEA decision may be resubmitted for reimbursement consideration.
