To Whom It May Concern:

IDEM is proud to host the following outreach events for the 50% Underground Storage Tank (UST) Decommissioning / Replacement reimbursement program. An overview of the program will be presented to UST owners, consultants, contractors and interested parties. Please see locations and times below.

Following the group presentation, IDEM staff will be available to provide training on the ELTF 50% Cost Application, State Form #57322, to interested participants who bring their laptops, relevant invoices, and associated backup.

UST owners with approved 50% eligibility are encouraged to attend.
