

Registered Indiana E-waste Storage & Processing Facilities

The following electronic waste (e-waste) storage and processing facilities are registered with the state under Indiana's e-waste management rules (329 IAC 16). Indiana's e-waste management rules provide for the registration of facilities storing and processing e-waste; storage and processing standards; training requirements; and disposal, clean-up and closure standards. Contact the Office of Land Quality (317) 233-1052 for storage and processing registration information.
