Waste Tire Storage Site	State Form 47222	\$500	\$0	\$860	Yes, State Form 54817 is required with initial and renewal registration application	Amount is based on estimated cleanup costs shown on State Form 53784

Note that the following forms are not listed on the Registration Forms and Fees table but must be completed as appropriate:

- **Waste Tire Manifest (State Form 47273):**

Waste Tire Transporters must complete this form for each shipment of waste tires, give copies to both the generator (source) of the waste tires and the receiver of the waste tires, and keep a copy on file for one (1) year. There is no fee associated with this form.

- **Waste Tire Facility Closure Notification (State Form 55351):**

A registered facility that wants to close operations and discontinue its registration(s) must submit this form. There is no fee associated with this form.

Remember, all of the forms listed on this page are available for download on the [IDEM Forms](#) page.
