This certification is required by General Services Administration regulations implementing Executive Order 12549-41 CFR 105-68 - for all lower tier transactions meeting the requirements stated at 41 CFR 105-68.110

Instructions for Certification:

1. By signing and submitting the Federal Surplus Property application, the prospective lower tier participant is providing the certifications set out below in this proposal.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department of agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntary exclude", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

A participant may decide the method and frequency by which it determines the eligibility of its principals.
